

# BioTE<sup>®</sup> DIM 150 mg

## Dietary Supplement

This powerful component found naturally in cruciferous vegetables balances estrogen metabolism which can be beneficial for breast, uterine, cervical, and prostate health. DIM also frees testosterone from binding agents in your blood.

Supplement Facts	
Serving Size 1 Capsule	
Servings Per Container 60	
Amount Per Serving	% Daily Value
DIM <sup>®</sup> 150 mg	
(a patented enhanced bioavailability complex of starch, diindolylmethane, Vitamin E as d-alpha tocopheryl succinate, soy phosphatidylcholine, silica)	
* Daily Value not established.	

- ✓ A dietary supplement to support hormonal balance and weight management in both men and women.\*
- ✓ Supports your estrogen management system that will help you to achieve your health and fitness goals.
- ✓ DIM<sup>®</sup> supports those taking HRT because it helps the body balance estrogen by modulating the activity of enzymes.\* These enzymes support the metabolism of estrogen.\*
- ✓ In women, estrogen is the dominant hormone. Healthy metabolism of estrogen lowers the health risks and side-effects associated with unopposed estrogen or estrogen dominance. In men, testosterone is the dominant hormone while estrogen is found in small amounts. Increased estrogen and inadequate estrogen metabolism contribute to male hormonal imbalance.

### OTHER INGREDIENTS:

Rice Flour, Vegetable Cellulose (capsule), Vegetarian Leucine

### CONTAINS: Soy

### SUGGESTED USE:

As a dietary supplement, take 1 capsule with food, 1 to 2 times daily, or as directed by your healthcare practitioner.
