Omega-3 1000 mg

Dietary Supplement

Omega-3 fatty acids are considered essential fatty acids that are necessary for human health that the body cannot make. An important factor in maintaining healthy bodily functions, it works with muscle activity, blood clotting, digestion, fertility, and cell division and growth. Omega 3 is beneficial to the heart, eyes, joints, and brain.

Eicosapentaenoic Acid (EPA) 300 mg	
Docosahexaenoic Acid (DHA) 200 mg	
*Daily Value not established.	
†Percent Daily Values are based on a 2,000 calorie diet.	

OMEGA-3 1000 is a clean and highly concentrated omega-3 fish oil product. Each softgel contains a minimum of 60% total omega-3 concentration including EPA and DHA, as well as dalpha tocopherols, gelatin and glycerin.

Research shows that omega-3 fatty acids reduce inflammation and may help to lower risk of chronic diseases such as cancer, arthritis, and heart disease. Omega-3 fatty acids are highly concentrated in the brain and appear to be important for cognitive (brain memory and performance) and behavioral function. Symptoms of omega-3 acid deficiency include fatigue, poor memory, dry skin, heart problems, mood swings or depression, and poor circulation.

SUGGESTED USE:

As a dietary supplement, take 1 softgel twice daily or as directed by your healthcare practitioner.

Gluten Free
